There is equipment at the Pub for panning the trails but need to check with Randy Harvey for availability. Equipment will need to be returned to the Pub when done. Trails have been signed. Some questions remain regarding the signage from the Visitor Center to Corridor and also any changes that need to be done on Torkko Road. Signs are available the Pub and Nate has a supply at the store.
7. Previous business – Discussion about getting younger people involved. Safety courses are being held in Ashland. Maybe we can work with them. Scholarships for graduating seniors was suggested.
8. Fund Raising – Assist Pub with their March party and holding meat raffles at local business club members. Need to discuss signage and schedule.
